1. I have asked [REDACTED] to get to work promptly on the space requirements for WH [REDACTED]. In all probability we will want to move them into the new building, which will probably mean that someone else will have to be left out.

3. John Tietjen alerted me that we may eventually lose Dr. [REDACTED] since the psychiatric field is so much more lucrative on the outside. John hopes that Dr. [REDACTED] will be able to take over if this actually happens.

4. John has recommended that we ask [REDACTED] to give us a presentation at a Staff Meeting on Cybernetics. I told him that I would like very much to do this.

5. [REDACTED] telephoned to say that the Bureau of the Budget has agreed to the release of \$4.86 million for support of the [REDACTED] Program but that they would have to clear it with the White House before giving final approval.

6. Bob also reported that [REDACTED] telephoned him on behalf of [REDACTED] and requested a memorandum telling him how much the [REDACTED] Operation cost with a general breakdown, etc. I have furnished the Director and General Cabell with this information and the Director has requested General Cabell to get in touch with Mr. [REDACTED] and brief him in as much detail as he likes.

9. [REDACTED] advised me that [REDACTED] of the Records Management Staff had been to see [REDACTED] to discuss the possibility of approaching her Congressman with regard to her job situation. I asked [REDACTED] to speak to [REDACTED] about this which he did. Lou assures us that Miss [REDACTED] did not wish to submit a complaint but merely thought this might be an avenue to seek another job.

10. I have talked to [REDACTED] and Emmett Echols again about a job for Jim [REDACTED]. He is taking some A&E tests this next Friday, the ninth of June, after which we will know more about his potential. In view of General Cabell's interest in placing him in Headquarters, I have advised the Office of Personnel to let me know if they find a position for which they think he is qualified but in which the supervisor is unwilling to accept him.
